MULTIFUNCTIONAL BUTTON

Power on/off, Pairing, Answer / End / Reject , Voice dialing, Redial.

TURNING HEADSET ON / OFF

To turn the headset on:

Press and hold the MF-button for 3 seconds. The blue indicator of the headset flashes 5 times. The headset is now turned on.

To turn the headset off:

Press and hold the MF-button for 3 seconds. The blue indicator light flashes 3 times. The headset is now turned off.

PAIRING THE HEADSET

You are required to pair the headset with your mobile phone once before using it.

1. Press and hold the MF-button for 5 seconds until the indicator light constant in blue to go into the pairing mode.
2. Activate Bluetooth® on your mobile phone.
3. Set your phone to discover 'TM901' and follow the instruction.
4. If your phone asks for passkey or PIN-code, confirm with 0000.
5. Your TM901 will confirm when pairing is completed by showing a blue indicator light flashes every 2 seconds.

Note:

1. If TM901 headset is not in pairing mode, your mobile phone won't find the headset. Please set the headset into pairing mode before making your mobile phone search for TM901.

2. If no pairing is possible for a period of time (approximately 3 minutes), the headset will automatically leave pairing mode and go to the idle mode. If there is no more action for a period of time (approximately 11-12 minutes), the headset will be automatically off. You may need to start all over again.

MAKING CALLS

Once the headset is successfully paired with your mobile phone, you can use it to make and receive calls.

The headset can be used with voice dialing if your mobile phone supports this feature. Please consult your mobile phone's manual for more information.

1. Using voice dialing:

Short press the MF-button once, wait for a beep and say the name of the person you want to call.

2. Using the phone keys to make a call:

Enter and dial the number on the mobile phone as you normally do. Once the call has been set up, the sound will be transmitted to your headset automatically.

3. Redial:

Press and hold the MF-button 2 seconds to redial the last number you called.

ANSWERING / ENDING /REJECTING CALLS

When the headset is turned on and there is an incoming call, you will hear a musical tone.

- Press the MF-button to answer the call.
- Press the MF-button to end the call.
- Press the MF-button for 2 seconds to reject the call.

PUT THE CALL ON HOLD

In call state:

Press and hold the MF-button for 1 second to put the active call on hold.

In call wait state:

Press and hold the MF-button for 1 second to put the current call on hold and accept the call waiting.

Press the MF-button once to end the call waiting.

ADJUST THE VOLUME

You can increase/decrease the volume by increasing/decreasing the volume of your mobile phone. The volume of your headset will be adjusted automatically. Please consult your mobile phone's manual for more information.

WHEN THE BATTERY IS LOW

The red indicator light will wink when the battery is low. At the same time, you can hear the beep. At this time, please charge your headset.

CONNECTING WITH A PC OR PDA

You are allowed to connect the headset with a Bluetooth® enabled PC or PDA that is supported with headset and/or handsfree profiles. Please refer to the user manual of your Bluetooth® enabled PC or PDA for setup information.
